

HORTICRAFT WEEDMAT: HEAVY-DUTY 110gsm PREMIUM

Covers & Crop Protection Solutions

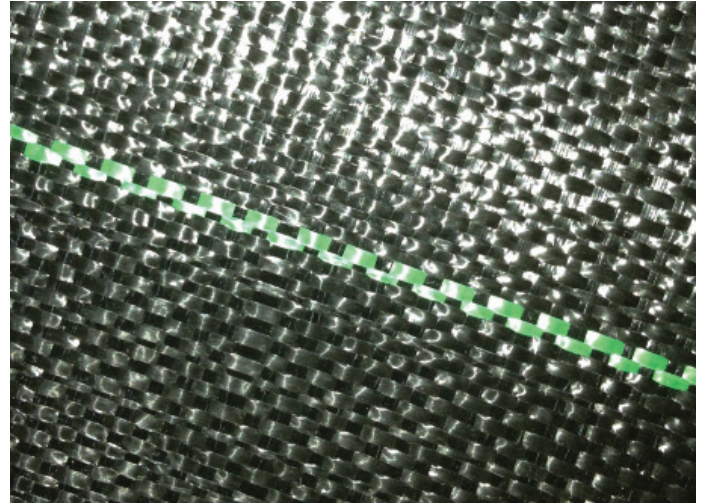

#WM

Hortcraft premium commercial horticultural weedmat is UV stabilised and hard-wearing. It is durable enough to handle light wheel and foot traffic. The woven polypropylene tapes are designed to assist in the control of weeds, whilst allowing air circulation as well as letting in necessary nutrients.

Key Benefits & Features

- Made from UV Stabilised PP Tapes that won't rot or absorb moisture
- Allows soil to breathe, which combats fungal growth
- Allows essential nutrients in; reducing the likelihood of the soil going sour
- Promotes healthier plants and a cleaner growing area
- Reduces the need to use harmful herbicides
- Longer life than other weedmat materials
- Available in 1.83m, 3.66m and 5.0m widths and as 100m roll lengths (longer roll lengths available upon request)
- 100% recyclable
